Nov 17 – Matt 8:23-34

### Jesus Calms the Storm

Jesus came to rescue those who are overwhelmed by sin.

If you do not understand the size of your sin you will never understand the size of the savior.

If you do not think that you were not saved from much, you will not be thankful much.

Jesus rebukes the winds and sea. STOP IT!

The wind and sea did not stop...It obeyed.

The disciples have a lack of understanding and a divided mind.

### Jesus Casts Out Demons

Demons recognize Jesus and call him Son of God.

We have a low expectation of our service to Jesus because we have a low view of who Jesus is.
