I. How should a church be funded?

The money to run the church should come from the \_\_\_\_\_ in the church.

\_\_\_\_\_ will supply the needs of His people. Matthew 6:33, Philippians 4:19

Matthew 10:7-11 - We are not to solicit funds from \_\_\_\_\_.

3 John 5-8 - Believers support other \_\_\_\_\_.

V7 - accepting nothing from the Gentiles/\_\_\_\_\_.

Why would we take money from non-believers who the bible declares are enemies of God?

II. What SHOULD we spend money on? The spread of the \_\_\_\_\_.

- The support of the local church (see above)
- The support of other \_\_\_\_\_ centered churches. - 1 Corinthians 16:3
- Pay the \_\_\_\_\_. 1 Timothy 5:17-18; 1 Corinthians 9:14
- Take care of the \_\_\_\_\_ and needy. James 1:27

III. How do we do these things here at Fairmont?

How is the church funded? By your \_\_\_\_\_. Nothing else.

No helicopters.
